

## Vetridam

13:30 min | Tamil | 2017 | Fiction

Ever since Sreenivasan's grown up children left home, he has wanted nothing but the company of other people. His neighbours do not have time to talk to him. One day he cuts off the power in his neighbourhood and spends a happy evening talking to his neighbors. But that does not stay longer. Sreenivasan has no other option but to talk to the only other being in his house — his granddaughter's doll.
